## ***Eight R's***

This foundational class presents the “Eight R’s” of deliverance: Recognize, Responsibility, Repent, Renounce, Remove, Resist, Rejoice, and Restore.

## ***Generational Curses & Ministry Time***

This is an in-depth, Biblical look at how the sin of our parents, grandparents, and even our ancestors before them, can have a direct impact on our lives today. The goal of this class is to expose these generational curses, break their power, and lead us into freedom.

## ***Bitterness & Ministry Time***

This class helps us to understand why bitterness develops and remains in our lives. You will learn to identify bitterness against yourself, others, and God.

## ***What Now? Now What? How to? (Surgical Strike)***

This teaches the process of maintaining deliverance and doing deliverance as you go. It answers the question what must be done once I leave the seminar? Learn to take every thought captive and begin to battle for your freedom and others daily. A must for all!

## ***Freemasonry & Ministry Time***

This will explore the secret brotherhood of Freemasonry and Biblically show its hidden attributes that contradict God's word. The time of prayer will take us through repentance and deliverance shutting the door on the curses associated with this secret society, 1st through 33rd degree.

## ***Accusation & Ministry Time***

Takes a close look at how demons operate—especially how they condemn and accuse.

## ***Rejection & Ministry Time***

This workshop will demonstrate how rejection operates. Its goal is to separate us from others and make us feel unacceptable, unloved or undervalued.

### ***Occultism & Ministry Time***

This workshop reveals the deceptions and counterfeits of the enemy including witchcraft, divination, drugs (“pharmakeia”) and bewitchment.

### ***Envy, Jealousy, and Unforgiveness & Ministry Time***

Where does envy and jealousy derive from? This class will help each of us to discover the root of the issue and learn to walk in overcoming victory in our day to day lives.

### ***Unloving Spirits & Ministry Time***

These hindering spirits stop us from giving and receiving love from one another and God. This workshop exposes, confronts, and overcomes these spirits.

### ***Blocks to Healing***

Why is it so difficult for some to receive their healing and keep their deliverance? The 33 reasons may surprise you. This will equip us to deal with these blocks.

### ***Addiction & Ministry Time***

This will address the root of addiction that can lead to legal and illegal drugs, alcohol, food, pornography and other addictions.

Fear, anxiety, panic, phobias and stress are strongholds that cause diseases and pain of the mind, body and spirit. This workshop gives you the tools you need to overcome them.

### ***Baptism with the Holy Spirit & Ministry Time***

This class will gently lead you to receive power from “on high” that will allow you to walk in all that God has for you.

### ***Why Personal Deliverance?***

“How much freedom do you want?” This class is a testimonial of receiving the “more” God has for us. It is a detailed description of the next step...personal prophetic deliverance that is done in a setting with a team of two or three. The goal of this type of deliverance is to take people to the next level that targets those things that are personal to each individual life.

### ***Healing Profiles***

This class is a ministry session where healing is spoken over all major bodily systems and deliverance is done over specific spirits that attack those specific areas of the body.

### ***Depression and Ministry Time***

This workshop provides a Biblical answer to depression, details the way David dealt with it, and includes information and deliverance that will set you up for success in confronting and overcoming depression.

## ***Covenant Healing & Ministry Time***

This class provides a Biblical explanation of our covenant authority in Christ, gained at the cross. It provides time for individual healing prayers.

## ***The Power of the Blessing***

This is a special time of sealing all that has been taught with a short explanation of the power released through a blessing, followed by prayer and blessing the group.
